Dear Temple Traveler & Friends,

As we embark on our journey to the mystical land of Turkey and Greece, we find ourselves humbled by the ancient history, majestic landscapes, and fascinating stories that surround us. From the architectural marvels of Istanbul to the sun-soaked beaches of the Mediterranean, each moment serves as a testament to the enduring legacy of the region.

During our time on board, we will have the privilege of meeting locals, learning about their daily lives, and gaining a deeper understanding of the cultural tapestry that weaves this part of the world. The AHI Travel Passenger Protection Plan now offers a low-cost travel insurance worth up to $250,000, subject to policy terms.

Our trip will begin and end in Istanbul, and we will traverse the Crimean War battlefields, where tales of British and Russian soldiers and events from history still resonate. We will visit the Greek island of Santorini, which boasts the most beautiful sunsets in the world, and discover the ruins of the ancient Greek city of Chersonesos, where Epic tales of the past resonate within the ancient walls.

Our Captain, Bill Boyer, and his crew will offer informative commentary on all excursions, and our educational program is designed to provide you with a comprehensive understanding of the region’s history, culture, and natural beauty. Special airfares include round trip flights, fuel surcharges, taxes, transfers, and baggage handling.

For questions about the educational program, call Temple Travels at 215-204-7980. Space is limited, so please call today to make your reservation.
